Mounting type

- Surface ceiling.

Approval and marking

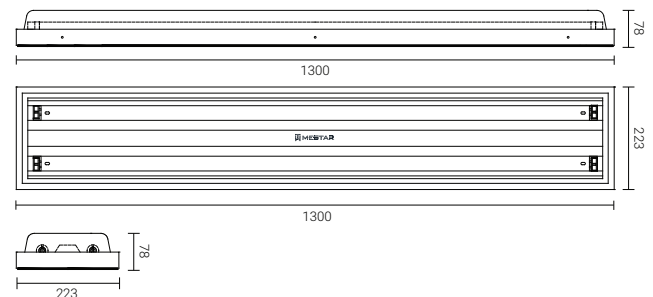

IP54

Product color

White (WH)

Dimension: (mm)

Technical information

• Model	: TSH180236
• Number of lamp and rated power	: 2x20W (not include tube lamp)
• Input voltage	: dependent on tube lamp
• Others lighting specifications	: dependent on tube lamp
• Cover	: PMMA
• Protection grade	: IP54
• Product life	: >50000 hours
