## Approval and marking

IP65

## Dimension: (mm)

## Product color

## Technical information

• Model	: SCW136
• Number of lamp and rated power	: 1x20W (not include tube lamp)
• Input voltage	: dependent on tube lamp
• Others lighting specifications	: dependent on tube lamp
• Cover	: PC
• Protection grade	: IP65
• Product life	: >50000 hours
