

Introduction

Venus 3 is small flexible directional downlight series, providing a luxury lighting solution for indoor space, especially dedicated to Hospitality segment. Depending on the needs of different decorate space functions, designers can choose beam angle, color temperature and finishing covers.

Feature

- Heat sink in die-cast aluminum includes a radiant surface that guarantees optimal heat dissipation.
- Structure featuring a die-cast aluminum external contact frame with white finish as standard or black, gold in option.
- Remote driver is included, available with on-off wiring and dimmable versions.
- Color temperature option: 2700K/3000K/4000K/5000K.
- Color rendering index: Ra>90.
- Tilting rotation adjustable by 45°.
- Designed with the cut-off angle of 33° to keep light out of the sight.
- Warranty 3 years.

Application

- Widely used for hotel lighting, club lighting, villa lighting, home lighting.

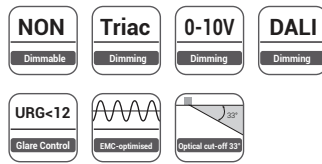

Installation

- Recessed ceiling.

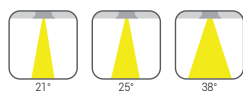

Approval and marking

Feature

Beam angle

Reflector color

Dimension: (mm)

Technical information

• Model	: MI1CVN709-9W
• Material	: Die-cast aluminum
• Lamp	: LED Luminus
• Power	: 9W
• Luminous flux	: 900lm
• CCT/Ra	: 2700K/3000K/4000K/5000K, Ra>90
• Efficacy	: 100lm/W
• Tilt rotation	: 45°
• Beam angle	: 21°/25°/38°
• Control method	: On/off, Triac, 0-10V, Dali
• Product colors	: White/Black
• Ambient temperature	: -10°C~45°C
• Input voltage	: AC220-240V 50/60Hz
• Product life	: 50000 hours
